Ahir dijous dia 5 de juny vàrem realitzar una sortida matinal, amb deu usuaris del Respir de persones grans a l'Auditori de Barcelona per assistir al concert APROPAT AL JAZZ.

Varen sortir d'un concert excepcional realitzat per la banda Municipal de Barcelona.

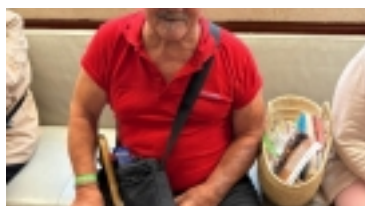

Van tocar obres de Bernstein entre altres i abans d'entrar a la sala de concert varen poder fer un petit refrigeri.

Tothom va sortir entusiasmat.
