Avui hem celebrat la Castanyada al Respir PG. A les unitats no han faltat castanyes i moniatos asats. Hi ha hagut ambient de tardor: música, dites, refranys, poemes i endevinalles d'aquesta època. També ha quedat com a decoració un arbre de cartró on les persones usuàries han pogut reflectir els sentiments, les il·lusions i les coses que els inspiren de la tardor.

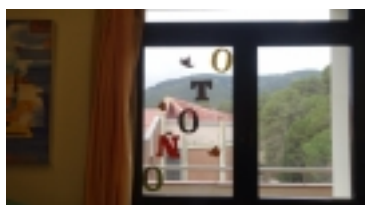

Hem acabat amb molta marxa, fent un animat ball.
