Amb l'ajuda de tothom i amb tota la seva il·lusió, ja tenim el centre decorat, amb l'arbre i el pessebre llestos per gaudir d'una gran celebració de Nadal.

A més a més, hem participat en el concurs de postals de Nadal. Com a novetat, a part del premi a les tres postals més votades, tothom ha rebut un detall pel seu esforç.

I com no, sempre reservem una estona per a la rauxa i diversió, cantar i ballar les nostres cançons preferides, ho han gaudit a "lo Grande!", I es que en el Respir ja estem escalfant motors per les festes del cap de setmana!

Us desitjem unes molt bones festes i un 2022 ple d'esperança i salut.
